

Exciting News from Melvine Baird's Chiropractic Clinic

I am excited to announce that as of August 4th my Chiropractic Practice will be relocated to:

901 Yonge St., Suite 201
Toronto, ON
M4W 2H2

Phone: 416.705.3247
E-mail: melvine@doctorbaird.com

My new office is at the beautiful Health Quest clinic which is just steps away from the Rosedale subway station. There's Green P parking across the street and additional parking is listed on the Health Quest website.

You will continue to get the same great chiropractic care and now you will be in an environment where other highly trained professionals practice a holistic approach to health and well-being. To learn more about the other services now available through my new clinic, please visit www.healthquesttoronto.com

As some may know, I have been working towards my C.A.C.C.P. certification through the International Chiropractic Pediatric Association. I'm happy to be able to announce that I have passed those rigorous exams and I am now fully qualified to build on my existing practice with specialized care for pre and post natal and pediatric patients.

If you have any questions, and to book your appointments, please feel free to give me a call at 416.705.3247 or email me at drmbaird@gmail.com.

As always, I welcome the opportunity to continue to be a part of your health care team.
